

Ask

Better to ask the way than to go astray

He will never have a good thing cheap that is afraid to ask the price

If you don't know ask

If you wish to be obeyed do not ask the impossible

Never ask pardon before you are accused

You must ask your neighbour if you shall live in peace

Ask a silly question and you get a silly answer

Ask no questions and hear no lies

Fools ask questions that wise men cannot answer

He that will thrive must first ask his wife

If you want something done ask a busy person
