

Bear

Call the bear "uncle" till you are safe across the bridge

Catch your bear before you sell its skin

Do as you're bidden and you'll never bear blame

I am proud and you are proud and who shall bear the ashes round

It is easy to bear the misfortunes of others

Life is not all bear and skittles

You must grin and bear it

Bear and forbear

Do not grieve that rose-trees have thorns rather rejoice that thorny bushes bear roses

Do not sell the skin till you have caught the bear
