

### Blind

Gifts blind the eyes
Hatred is blind as well as love
If the blind lead the blind both shall fall into the ditch
In the country of the blind the one-eyed man is king
Love is blind
Man is blind in his own cause
Men are blind in their own cause
A nod is as good as a wink to a blind horse
None so blind as those who won't see
To blind men don't talk about colours
There's none so blind as those who will not see
When the blind lead the blind both shall fall into the ditch
A blind man's wife needs no paint
A deaf husband and a blind wife are always a happy couple
A nod's as good as a wink to a blind horse
Nothing so bold as a blind mare
