

### Born

Happy is he born who serves not another's will

He that is born a fool is never cured

I wept when i was born and every day shows why

No man is born wise or learned

It is better to be born lucky than rich

If you're born to be hanged then you'll never be drowned

Because a man is born in a stable that does not make him a horse

Yorkshire born and yorkshire bred strong in the arm and weak in the head
