Comes

After a storm comes a calm
All's fish that comes to the net
A bad penny always comes back
Christmas comes but once a year
Everything comes to him who waits
Face to face the truth comes out
God comes at last when we think he is furthest off
A guest wanted comes at meal time
Health is not valued till sickness comes
Ill news comes apace
Tomorrow never comes
Whatever comes from the heart goes to the heart
When a thing is done advice comes late
When the wolf comes in at the door love creeps out of the window
Appetite comes with eating
All is fish that comes to the net
What goes around comes around
When greek meets greek then comes the tug of war
All is grist that comes to the mill
March comes in like a lion and goes out like a lamb
Nothing comes of nothing
When poverty comes in at the door love flies out of the window

After the feast comes the reckoning
