

### Done

Defer not till tomorrow what may be done today

Do as you would be done by

Easier said than done

He dies like a beast who has done no good while he lived

He that has done ill once will do it again

If you want a thing well done do it yourself

Leave not till tomorrow what can be done today

Never put off till tomorrow what may be done today

Well begun is half done

What man has done man can do

What may be done at any time is done at no time

What's done cannot be undone

When a thing is done advice comes late

The difficult is done at once the impossible takes a little longer

Whatever man has done man may do

Nothing should be done in haste but gripping a flea

The sooner begun the sooner done

If you want a thing done well do it yourself

If you want something done ask a busy person

A woman's work is never done
