

Down

Footprints on the sands of time are not made by sitting down

Go down the ladder when you marry a wife go up when you choose a friend

He that is down need fear no fall

It is easier to pull down than to build

Let not the sun go down on your wrath

Love your neighbour yet pull not down your fence

The world is a ladder for some to go up and some down

Dogs look up to you cats look down on you pigs is equal

Fall down seven times get up eight

When the last tree is cut down the last fish eaten and the last stream poisoned you will realize that you cannot eat money

If you lie down with dogs you will get up with fleas

The nail that sticks up gets hammered down

It is easier to pull down than to build up

Up like a rocket down like a stick

Never let the sun go down on your anger

What goes up must come down
