

Eat

Before you make a friend eat a bushel of salt with him

Don't make yourself a mouse or the cat will eat you

Dog does not eat dog

Eat little sleep better

The great fish eat up the small

He that would eat the kernel must crack the nut

Live not to eat but eat to live

Big fish eat little fish

The cat would eat fish but would not wet her feet

You are what you eat

We must eat a peck of dirt before we die

Eat drink and be merry for tomorrow we die

He that would eat the fruit must climb the tree

Eat to live not live to eat

You cannot have your cake and eat it

When the last tree is cut down the last fish eaten and the last stream poisoned you will realize that you cannot eat money

If you won't work you shan't eat

Eat and drink with your relatives make business with strangers
