

End

All good things come to an end
At the game's end we shall see who gains
Do not praise the beginning until you see the end
Either mend or end
The end justifies the means
The end makes all equal
Every thing has an end
Good to begin well better to end well
Jestings begin in gladness and end in sadness
The longest day must have an end
Of all wars peace is the end
All good things must come to an end
The end crowns the work
Everything has an end
He who wills the end wills the means
