

Enough

Enough is enough
Fling dirt enough and some will stick
A fool's tongue is long enough to cut his own throat
Give the thief enough rope and he'll hang himself
The grace of god is enough
He is rich enough who lacks not bread
Many would be cowards if they had courage enough
More than enough is too much
One mad action is not enough to prove a man mad
A secret is too little for one enough for two too much for three
There will be sleeping enough in the grave
A word is enough to the wise
Throw dirt enough and some will stick
Enough is as good as a feast
Give a man rope enough and he will hang himself
If you sit by the river for long enough you will see the body of your enemy float by
A word to the wise is enough
