

### Eye

Beauty is in the eye of the beholder

Choose a wife by your ear rather than by your eye

Choose not a wife by the eye only

An eye for an eye and a tooth for a tooth

The eye is bigger than the belly

The eye is the window of the heart

A good surgeon must have an eagle's eye a lion's heart and a lady's hand

Hew not too high lest the chips fall in thine eye

What the eye doesn't see the heart doesn't grieve over

The eye of a master does more work than both his hands

Please your eye and plague your heart
