

### Happy

Call no man happy till he is dead
Happy is he born who serves not another's will
Happy is he that is happy in his children
Happy is she who marries the son of a dead mother
Job was not miserable in his suffering as he was happy in his patience
Happy is the bride that the sun shines on
Happy is the country which has no history
A deaf husband and a blind wife are always a happy couple
If you would be happy for a week take a wife if you would be happy for a month kill a pig but if you would be happy all your life plant a garden
Call no man happy till he dies
If saint paul's day be fair and clear it will betide a happy year
