Him

An ass must be tied where the master will have him
Before you make a friend eat a bushel of salt with him
Everything comes to him who waits
Evil be to him who evil thinks
Give a dog a bad name and hang him
Give a man fortune and cast him into the sea
Give him an inch and he'll take an ell
God provides for him that trusts
He that defends an injury is next to him that commits it
He who peeps through a hole may see what will vex him
He who seeks for wealth without previous wealth is like him who carries water in a sieve
If a man deceives me once shame on him if he deceives me twice shame on me
If a man once falls all will tread on him
If advice will not improve him neither will the rod
If we are bound to forgive an enemy we are not bound to trust him
My son is my son till he has got him a wife but my daughter is my daughter all the days of her life
Nought shall you have of him who has nought
Try your friend before you trust him
You can lead a horse to the water but you cannot make him drink
You may lead a horse to the water but you cannot make him drink
Never bid the devil good morrow until you meet him
Evil to him who evil thinks

He that follows freits freits will follow him

You can take a horse to the water but you can not make him drink

Because a man is born in a stable that does not make him a horse

It is easier to raise the devil than to lay him

My son is my son till he gets him a wife but my daughter's my daughter all the days of her life

Everyone speaks well of the bridge which carries him over

One white foot buy him two white feet try him three white feet look well about him four white feet go without him
