

I

Do as i say not as i do

God defend me from my friends from my enemies i can defend myself

He who taught me one letter i am his slave

Heads i win tails you lose

I am more afraid of an army of a hundred sheep led by a lion than an army of hundred lions led by a sheep

I am proud and you are proud and who shall bear the ashes round

I taught you to swim and now you'd drown me

I wept when i was born and every day shows why

I will not pull the thorn out of your foot and put it into my own

I would like to fly but i have no wings

May god defend me from my friends i can defend myself from my enemies

When i lent i had a friend when i asked he was unkind

Without an educator i would not know god

You scratch my back i will scratch yours
