

Lie

As you make your bed so you must lie in it

Astrologers lie even if they tell the truth

Children and fools cannot lie

Give a lie twenty-four hours' start and you can never overtake it

A good heart cannot lie

Half the truth is often a great lie

He that will lie will steal

Let sleeping dogs lie

Old sayings contain no lie

One lie makes many

Half the truth is often a whole lie

A lie is halfway round the world before the truth has got its boots on

If you lie down with dogs you will get up with fleas

As you make your bed so you must lie upon it

See a pin and pick it up all the day you'll have good luck see a pin and let it lie bad luck you'll have all the day

As a tree falls so shall it lie

Ce qui me lie c'est ma folie
