

Lives

As a man lives so shall he die

A cat has nine lives

Children and fools have merry lives

A fool lives in his own paradise

Half the world knows not how the other half lives

He is unworthy to live who lives only for himself

One half of the world does not know how the other half lives

He who lives by the sword dies by the sword

He that lives in hope dances to an ill tune

He lives long who lives well

A reed before the wind lives on while mighty oaks do fall
