

Made

Crooked by nature is never made straight by education
Fingers were made before forks
Footprints on the sands of time are not made by sitting down
Marriages are made in heaven
No man loveth his fetters be they made of gold
Promises are like pie-crust made to be broken
Little birds that can sing and won't sing must be made to sing
Do not care was made to care
God made the country and man made the town
Promises like pie-crust are made to be broken
Revolutions are not made with rose-water
Rules are made to be broken
