

Mind

Calamity is the touchstone of a brave mind

A contented mind is a perpetual feast

A faithful friend is hard to find remember man and keep in mind

Idleness rusts the mind

A man will never change his mind if he has no mind to change

Mind your own business

Out of sight out of mind

A sound mind in a sound body

Speech is the index of the mind

Tailors and writers must mind the fashion

A wise man changes his mind a fool never

Travel broadens the mind
