

### Much

Dogs wag their tails no so much in love to you as to your bread
Good words cost nothing but cost much
He is not poor that has little but he that desires much
He that promises too much means nothing
He that travels far knows much
He who gets does much but he who keeps does more
More than enough is too much
Much ado about nothing
Much law but little justice
Much learning makes men mad
Much meat much malady
Much would have more
A secret is too little for one enough for two too much for three
Think not on what you lack as much as on what you have
Too much curiosity lost paradise
Much cry and little wool
You can have too much of good thing
