

My

Give me health and take my wealth
God defend me from my friends from my enemies i can defend myself
I will not pull the thorn out of your foot and put it into my own
Love me love my dog
May god defend me from my friends i can defend myself from my enemies
My son is my son till he has got him a wife but my daughter is my daughter all the days of her life
What's yours is mine and what's mine is my own
You must scratch my back and i'll scratch yours
The enemy of my enemy is my friend
When the furze is in bloom my love's in tune
Near is my kirtle but nearer is my smock
Near is my shirt but nearer is my skin
You scratch my back i will scratch yours
My son is my son till he gets him a wife but my daughter's my daughter all the days of her life
Speak not of my debts unless you mean to pay them
Sticks and stones may break my bones but words will never hurt me
