

### None

<b>A bad excuse is better than none at all</b>
<b>A jack of all trades is master of none</b>
<b>None but the brave deserves the fair</b>
<b>None so blind as those who won't see</b>
<b>None so deaf as those who won't hear</b>
<b>One of these days is none of these days</b>
<b>Two is company three is none</b>
<b>Your looking-glass will tell you what none of your friends will</b>
<b>A bad excuse is better than none</b>
<b>There's none so blind as those who will not see</b>
<b>None but the brave deserve the fair</b>
<b>There's none so deaf as those who will not hear</b>
<b>Jack of all trades and master of none</b>
<b>Two is company but three is none</b>
