

Only

An aim in life is the only fortune worth finding
Choose not a wife by the eye only
Courtesy on one side only lasts not long
Do noble deeds not only dream of them
He is unworthy to live who lives only for himself
A man can only die once
Only the dead lose hope
Only the wearer knows where the shoe pinches
The only way to keep a secret is to say nothing
They also serve who only stand and wait
Zeal is fit only for wise men but is found mostly in fools
There is no such thing as bad weather only the wrong clothes
Beauty is only skin-deep
Believe nothing of what you hear and only half of what you see
From clogs to clogs is only three generations
You can only die once
The only good indian is a dead indian
Until the lions produce their own historian the story of the hunt will glorify only the hunter
When the oak is before the ash then you will only get a splash when the ash is before the oak then you may expect a soak
From the sublime to the ridiculous is only a step
