

See

At the game's end we shall see who gains

Believe not all that you see nor half what you hear

Do not praise the beginning until you see the end

He who peeps through a hole may see what will vex him

Lookers-on see most of the game

None so blind as those who won't see

Some people cannot see the wood from the trees

They that live longest see most

Unless you see it do not believe it

Wait and see

What the eye doesn't see the heart doesn't grieve over

Believe nothing of what you hear and only half of what you see

There's none so blind as those who will not see

Fools and bairns should never see half-done work

Four eyes see more than two

Hear all see all say nowt tak' all keep all gie nowt and if tha ever does owt for nowt do it for thysen

See a pin and pick it up all the day you'll have good luck see a pin and let it lie bad luck you'll have all the day

What you see is what you get

See no evil hear no evil speak no evil

If you sit by the river for long enough you will see the body of your enemy float by
