

### Some

Every man is mad on some point
Fling dirt enough and some will stick
The misfortunes of some bring benefits to others
Some are wise and some are otherwise
Some of our suspicions are reckoned as sins
Some people cannot see the wood from the trees
The world is a ladder for some to go up and some down
An apple-pie without some cheese is like a kiss without a squeeze
Throw dirt enough and some will stick
There is no great loss without some gain
