

Speak

Actions speak louder than words
Do as most men do then most men will speak well of you
Don't speak to the man at the wheel
Dying men speak true
First think then speak
He cannot speak well that cannot hold his tongue
Light cares speak great ones are dumb
Speak fair and think what you like
Speak the truth and shame the devil
Speak well of the dead
There is a time to speak and a time to be silent
Think before you speak and look before you leap
When all men speak no man hears
The kumara does not speak of its own sweetness
See no evil hear no evil speak no evil
Speak as you find
Never speak ill of the dead
Speak not of my debts unless you mean to pay them
Speak softly and carry a big stick
Think first and speak afterwards
