

Stone

Cast not the first stone

Constant dripping wears away the stone

A fool may throw a stone into a well which a hundred wise men cannot pull out

He that stumbles twice over one stone deserves to break his shins

Love will go through stone walls

A rolling stone gathers no moss

Whether the pitcher strikes the stone or the stone the pitcher it is bad for the pitcher

You cannot get blood out of a stone

You cannot get blood from a stone

Constant dropping wears away a stone
