

Them

Admonish your friends in private praise them in public
Do noble deeds not only dream of them
Innocent actions carry their warrant with them
Keep aloof from quarrels be neither a witness nor a party to them
Let them that be cold blow at the coal
Prosperity makes friends adversity tries them
The remedy for injuries is not to remember them
Take things as you find them
If you can not beat them join them
Big fleas have little fleas upon their backs to bite them and little fleas have lesser fleas and so ad infinitum
Fools build houses and wise men live in them
God helps them that help themselves
Let them laugh that win
Speak not of my debts unless you mean to pay them
Three may keep a secret if two of them are dead
You can not win them all
A woman a dog and a walnut tree the more you beat them the better they be
