### Thing

Do one thing at a time
Every thing begins small and gets big save misfortune which begins big and gets small
Every thing has an end
He that will steal a pin will steal a greater thing
He will never have a good thing cheap that is afraid to ask the price
Honesty in little things is not a little thing
If a thing is worth doing it is worth doing well
If you want a thing well done do it yourself
Keep a thing seven years and you will find a use for it
A little learning is a dangerous thing
Saying is one thing and doing another
A thing of beauty is a joy for ever
A thing you don't want is dear at any price
When a thing is done advice comes late
The worth of a thing is best known by the want of it
There is no such thing as bad weather only the wrong clothes
There's no such thing as a free lunch
Give a thing and take a thing to wear the devil's gold ring
Keep a thing seven years and you'll always find a use for it
A little knowledge is a dangerous thing
You can have too much of good thing
If you want a thing done well do it yourself

**The worth of a thing is what it will bring**
