

Three

Fish and guests smell after three days
It takes three generations to make a gentleman
A secret is too little for one enough for two too much for three
There are three things never hidden love a pregnant woman and one riding on a camel
Three things drive a man out of his house smoke rain and a scolding wife
Two is company three is none
Two boys are half a boy and three boys are no boy at all
From clogs to clogs is only three generations
Feed a dog for three days and he will remember your kindness for three years feed
A cat for three years and she will forget your kindness in three days
One englishman can beat three frenchmen
One for sorrow two for mirth three for a wedding four for a birth
Three may keep a secret if two of them are dead
Three removals are as bad as a fire
Three things are not to be trusted a cow's horn a dog's tooth and a horse's hoof
Two is company but three is none
One white foot buy him two white feet try him three white feet look well about him four white feet go without him
From shirtsleeves to shirtsleeves in three generations
