

Tongue

Charity cuts the tongue
A fool's tongue is long enough to cut his own throat
A good tongue is a good weapon
He cannot speak well that cannot hold his tongue
He that hath not silver in his purse should have silk in his tongue
Let not your tongue cut your throat
A still tongue makes a wise head
Surely the worth of man lies in two of his smallest parts his heart and his tongue
The tongue ever turns to the aching tooth
The tongue is not steel yet it cuts
With a sweet tongue and kindness you can drag an elephant by a hair
The tongue always returns to the sore tooth
