

### Up

Destroy the seed of evil or it will grow up to your ruin
Every one acts as he is brought up
Go down the ladder when you marry a wife go up when you choose a friend
The great fish eat up the small
He that brings up his son to nothing breeds a thief
The world is a ladder for some to go up and some down
A bad penny always turns up
Dogs look up to you cats look down on you pigs is equal
Fall down seven times get up eight
First up best dressed
If you lie down with dogs you will get up with fleas
The nail that sticks up gets hammered down
See a pin and pick it up all the day you'll have good luck see a pin and let it lie bad luck you'll have all the day
It is easier to pull down than to build up
Up like a rocket down like a stick
When spider webs unite they can tie up a lion
What goes up must come down
It takes a whole village to bring up a child
