

Want

Abundance like want ruins many
For want of a nail
If you want a thing well done do it yourself
If you want peace prepare for war
The more you have the more you want
A thing you don't want is dear at any price
Want is the mother of industry
Want of money want of comfort
Waste not want not
We cannot always take what we want
The worth of a thing is best known by the want of it
If you want to live and thrive let the spider run alive
The more you get the more you want
If you want peace you must prepare for war
If you want a thing done well do it yourself
For want of a nail the shoe was lost for want of a shoe the horse was lost and for want of a horse the man was lost
If you want something done ask a busy person
Wilful waste makes woeful want
A woman and a ship ever want mending
