

While

After dinner sit a while after supper walk a mile
Destroy the lion while he is yet but a whelp
Gather ye rosebuds while ye may
He dies like a beast who has done no good while he lived
Make hay while the sun shines
Strike while the iron is hot
While there is life there is hope
While the grass grows the steed starves
While there's life there's hope
A reed before the wind lives on while mighty oaks do fall
One man may steal a horse while another may not look over a hedge
Success has many fathers while failure is an orphan
While two dogs are fighting for a bone a third runs away with it
After dinner rest a while after supper walk a mile
