

Worse

The better workman the worse husband
The earth produces nothing worse than an ungrateful man
Fear of death is worse than death itself
A liar is worse than a thief
Nothing so bad but might have been worse
Praise makes good men better and bad men worse
The remedy may be worse than the disease
The sun is never the worse for shining on a dunghill
Who is worse shod than the shoemaker's wife
The worse luck now the better another time
Change the name and not the letter change for the worse and not the better
Go further and fare worse
Nothing so bad but it might have been worse
The more you stir it the worse it stinks
