

Young

Better be an old man's darling than a young man's slave

He who has good health is young and he is rich who owes nothing

You cannot put old heads on young shoulders

A young man idle an old man needy

Whom the gods love die young

The good die young

Hang a thief when he is young and he'll no' steal when he is old

You cannot put an old head on young shoulders

Young folks think old folks to be fools but old folks know young folks to be fools

A young man married is a young man marred

Young men may die but old men must die

Young saint old devil
