

Company

Bad company corrupts good manners
Better alone than in bad company
Desert and reward never keep company
Good company on the road is the shortest cut
He is never alone that is in the company of noble thoughts
Keep good company and you shall be one of the number
Keep not ill men company lest you increase the number
A man is known by the company he keeps
Men are known by the company they keep
Two is company three is none
Who keeps company with the wolf will learn to howl
The company makes the feast
Misery loves company
Two is company but three is none
