Door

A door must be either shut or open

A golden key opens every door

If each would sweep before his own door we should have a clean city

Use the front door and not the back one

When one door shuts another opens

When the wolf comes in at the door love creeps out of the window

A creaking door hangs longest

A door must either be shut or open

A golden key can open any door

Opportunity never knocks twice at any man's door

A postern door makes a thief

When poverty comes in at the door love flies out of the window
