Face

Better face a danger once than be always in

Don't cut off your nose to spite your face

An empty purse fills the face with wrinkles

The face is the index of the heart

Face to face the truth comes out

A fair face is half a fortune

A fair face may hide a foul heart

A gift with a kind face is double grace

The joy of the heart makes the face merry

A man without a smiling face must not open a shop

One hand washes another and both the face

Monday's child is fair of face

Do not cut off your nose to spite your face

Une face de carême

Il fera face à tout

Ce portrait est pris de face

Jouer à pile ou face

Il le regarda bien en face
