

Hand

Between the hand and the lip the morsel may slip
A bird in the hand is worth two in the bush
The fingers of the hand are not alike
God's hand is with the united community
A good surgeon must have an eagle's eye a lion's heart and a lady's hand
The hand that rocks the cradle rules the world
Let not thy left hand know what thy right hand doeth
Many kiss the hand they wish to cut off
One hand washes another and both the face
Full cup steady hand
One hand for yourself and one for the ship
One hand washes the other
