| <b>The devil finds work for idle hands to do</b>                                |
| <b>God reaches us good things by our own hands</b>                              |
| <b>Many hands make light work</b>   |
| <b>One pair of heels is often worth two pairs of hands</b>                      |
| <b>You cannot touch pitch and keep your hands clean</b>                         |
| <b>Cold hands warm heart</b>  |
| <b>The eye of a master does more work than both his hands</b>                   |
| <b>If ifs and ands were pots and pans there'd be no work for tinkers' hands</b> |
| <b>If life hands you lemons make lemonade</b>                                   |
