

Hope

Hope deferred maketh the heart sick

Hope for the best and prepare for the worst

Hope is the poor man's bread

Hope springs eternal in the human breast

If it were not for hope the heart would break

Only the dead lose hope

Quit not certainty for hope

While there is life there is hope

Hope deferred makes the heart sick

Hope is a good breakfast but a bad supper

Hope springs eternal

While there's life there's hope

He that lives in hope dances to an ill tune
