

Tomorrow

Better an egg today than a hen tomorrow

Defer not till tomorrow what may be done today

Leave not till tomorrow what can be done today

Never put off till tomorrow what may be done today

Tomorrow is another day

Tomorrow isn't too long to wait

Tomorrow never comes

Eat drink and be merry for tomorrow we die

Jam tomorrow and jam yesterday but never jam today

What manchester says today the rest of england says tomorrow

Never put off till tomorrow what you can do today

Today you tomorrow me
