Back

A bad penny always comes back
Don't make a rod for your own back
Every horse thinks its own back heaviest
The last straw breaks the camel's back
One cannot put back the clock
One must draw back in order to leap better
Use the front door and not the back one
You must scratch my back and i'll scratch yours
You can drive out nature with a pitchfork but she keeps on coming back
God makes the back to the burden
What is got over the devil's back is spent under his belly
It is the last straw that breaks the camel's back
You scratch my back i will scratch yours
