

### Often

<b>A crow is never the whiter for washing itself often</b>
<b>Half the truth is often a great lie</b>
<b>Ill news is too often true</b>
<b>Little and often fills the purse</b>
<b>A little body often harbours a great soul</b>
<b>One pair of heels is often worth two pairs of hands</b>
<b>The pitcher goes so often to the well that it is broken at last</b>
<b>Half the truth is often a whole lie</b>
<b>The pitcher will go to the well once too often</b>
