Over

Every difficulty slurred over will be a ghost to disturb your repose later on
Haste trips over its own heels
He that stumbles twice over one stone deserves to break his shins
Help a lame dog over a stile
If one sheep leaps over the ditch all the rest will follow
It is no use crying over spilt milk
The last drop makes the cup run over
Men leap over where the hedge is lowest
What the eye doesn't see the heart doesn't grieve over
Better wed over the mixen than over the moor
Drive gently over the stones
What is got over the devil's back is spent under his belly
The opera isn't over till the fat lady sings
The sharper the storm the sooner it's over
Everyone speaks well of the bridge which carries him over
One man may steal a horse while another may not look over a hedge
