Shall

As a man lives so shall he die
As you sow so shall you reap
At the game's end we shall see who gains
Blessed is he who expects nothing for he shall never be disappointed
He that all men will please shall never find ease
He that toucheth pitch shall be defiled
He that will not when he may when he will he shall have nay
He who mocks shall be mocked
He who says what he likes shall hear what he does not like
I am proud and you are proud and who shall bear the ashes round
If every man mends one all shall be mended
If the blind lead the blind both shall fall into the ditch
Keep good company and you shall be one of the number
Nought shall you have of him who has nought
You must ask your neighbour if you shall live in peace
When the blind lead the blind both shall fall into the ditch
As you brew so shall you bake
Where the carcase is there shall the eagles be gathered together
North wind doth blow we shall have snow
Seek and ye shall find
If the sky falls we shall catch larks
They that sow the wind shall reap the whirlwind

He that touches pitch shall be defiled

As a tree falls so shall it lie
