

### Tomorrow

<b>Better an egg today than a hen tomorrow</b>
<b>Defer not till tomorrow what may be done today</b>
<b>Leave not till tomorrow what can be done today</b>
<b>Never put off till tomorrow what may be done today</b>
<b>Tomorrow is another day</b>
<b>Tomorrow isn't too long to wait</b>
<b>Tomorrow never comes</b>
<b>Eat drink and be merry for tomorrow we die</b>
<b>Jam tomorrow and jam yesterday but never jam today</b>
<b>What manchester says today the rest of england says tomorrow</b>
<b>Never put off till tomorrow what you can do today</b>
<b>Today you tomorrow me</b>
