

### Tree

<b>He that plants a tree plants for posterity</b>
<b>He that would have the fruit must climb the tree</b>
<b>A tree is known by its fruit</b>
<b>When the tree is fallen every one runs to it with his axe</b>
<b>The apple never falls far from the tree</b>
<b>He that would eat the fruit must climb the tree</b>
<b>When the last tree is cut down the last fish eaten and the last stream poisoned you will realize that you cannot eat money</b>
<b>You cannot shift an old tree without it dying</b>
<b>As a tree falls so shall it lie</b>
<b>The tree is known by its fruit</b>
<b>As the twig is bent so is the tree inclined</b>
<b>A woman a dog and a walnut tree the more you beat them the better they be</b>
