Where

An ass must be tied where the master will have him
Cross the stream where it is shallowest
A discontented man knows not where to sit easy
Fools rush in where angels fear to tread
Give credit where credit is due
It is a sad house where the hen crows louder than the cock
Men leap over where the hedge is lowest
Only the wearer knows where the shoe pinches
Where there is smoke there is fire
Where there's a will there's a way
Where bees are there is honey
Better a dinner of herbs than a stalled ox where hate is
Where the carcass is there shall the eagles be gathered together
Where god builds a church the devil will build a chapel
Home is where the heart is
Where ignorance is bliss 'tis folly to be wise
Where macgregor sits is the head of the table
Never marry for money but marry where money is
Where there's muck there's brass
